

Dear God,

You said we live by faith, not by sight. Help me, Lord, to see You in every situation and teach me to turn my eyes off my problems and up to You.

I stand on Your word that says I can ask anything in Your name, and You will do it. Lord, I ask in Jesus' Name; I need faith and hope.

I want to live by faith and not rely on my own understanding. Grant me the faith and hope to go on, to believe You and Your word in every situation of my life. Teach me to rely on Your Word and to be a blessing to others.

In Jesus' Name. Amen.
